

CITY OF LAKE WORTH BULK AND BRUSH COLLECTION REMINDER

Monthly Bulk and Brush Pick Up: The City of Lake Worth residents receive monthly bulk and brush collection by **Waste Connections (formerly Progressive Waste Solutions)**. Such pick up is monthly during the last full week of each calendar month, normally in which Monday through Friday all fall within that calendar week. Except for waste caused by a natural disaster, such waste **shall not be placed** on the ground at the designated pick up point **earlier than 12:01 a.m. on the 20th day of each month**. Any bulk placed out prior to that is subject to Code Compliance action. Bulky items include: freezers, mattresses, furniture, stoves, hot water heaters, fence panels (cut in half) and any other appliances or other similar items.

Unacceptable Items: Tires, hazardous waste, liquids (including paint), chemicals, fertilizer, propane tanks, bricks, concrete, rocks, dirt, and non-containerized or loose remodeling/construction debris. Collection of brush will be limited to the amounts generated by the individual resident. Brush and tree limbs generated by a hired landscaping company or tree-trimming service will not be collected.

If you have any questions concerning what is acceptable for pick up, please contact Waste Connections at (817) 222-2221 prior to setting out any questionable items.

Please contact Waste Connections at (817) 222-2221 for any missed garbage pick- ups. If you receive no response within a reasonable time frame, you may then contact City Hall at 817-237-1211.
