## PUBLIC MEETING

APRIL 10 · NOON · 616 SIX FLAGS DR. ARLINGTON, TX

### PRESENTATIONS

#### Federal Railroad Administration Grant Program and Legislative Update

NCTCOG is looking to integrate regional efforts with statewide planning for an intercity high-speed passenger rail corridor from Fort Worth, through Dallas and to Houston. Additionally, transportation issues, including high-speed rail, continue to be a focus in the US Congress and Texas Legislature. Staff will provide an update on legislative issues related to high-speed rail.

#### Car Care Awareness and Vehicle Temporary Tags Update

The Car Care Awareness (CCA) program is designed to educate communities on proper vehicle maintenance and how it contributes to the regional air quality solution. For information on auto repair or replacement part discounts as well as a list of car care clinics being held throughout the region, visit [www.ntxcarcare.org](http://www.ntxcarcare.org). Additionally, staff will provide an update on improper vehicle inspections and registrations involving temporary tags and how they are affecting regional air quality.

#### Start of 2023 Ozone Season

The Dallas-Fort Worth region does not meet attainment for federal air quality standards for the pollutant ozone. The 2023 ozone season began on March 1 and runs through November 30. NCTCOG staff will present an introduction to the pollutant, an overview of current progress, an ozone season update and strategies to help reduce air pollution and reach attainment.

#### Dallas-Fort Worth (DFW) Clean Cities Advisory Committee

The DFW Clean Cities Coalition is creating an advisory committee to provide support to Coalition staff by providing diverse input, assisting with event publicity and networking and increasing stakeholder engagement. Staff will provide details on this effort, including the committee member nomination process.

#### Walk to School Day 2023

Walk to School Day is October 4! NCTCOG will be giving out promotional prizes and raffling off bikes to generate interest and excitement for students at participating schools. Staff will provide an overview of upcoming activities and promotions for this event.
