2. **General.** All services rendered to the City by the Bank under this Contract shall be performed in accordance with commercially reasonable standards for public fund organizations and under the overall direction and instructions of the City pursuant to the Bank's standard operations, policies, and procedures.

3. **Scope of Services.** The Bank agrees to provide those services as described in the City's Request for Proposals for Depository Bank Services released on February 20, 2024, hereinafter referred to as the "RFP". The RFP and the Bank's response to the RFP, hereinafter referred to as the "Proposal", are incorporated herein by reference. The Bank acknowledges that all services performed by the Bank are subject to the approval of the City. The Bank agrees to provide additional services as requested from time to time by the City and mutually agreed upon by the Bank.

4. **City Representatives.** During the term of this Contract, the City will, through appropriate action of its City Council, designate the officer, or officers, who singly or jointly will be authorized to represent and act on behalf of City in any and all matters of every kind arising under this Contract and to (a) appoint and designate, from time to time, a person or persons who may request withdrawals, orders for payment or transfer on behalf of the City in accordance with the electronic funds or funds transfer agreement and addenda, and (b) make withdrawals or transfer by written instrument.

5. **Custodian.** The City and the Bank, by execution of this Contract, hereby designate _____ as custodian, hereinafter called the "Custodian", to hold in trust, according to the terms and conditions of this Contract, the collateral described and pledged by the Bank in accordance with the provisions of this Contract.

6. **Custodial Fees.** Any and all fees associated with the Custodian's holding of collateral for the benefit of the City shall be paid by the Bank, and the City will have no liability therefore.

7. **Entire Agreement.** The entire agreement between Bank and City shall consist of this Contract, the City's RFP (except to the extent Bank took specific exceptions in the Bank's Proposal), the Bank's Proposal, the Custodial Agreement with Custodian, and other such bank service agreements, policies and documents as may be required and approved by the parties (together, the "Banking Agreements"), each incorporated by reference as they presently exist and each listed in governing order of precedence in the event of conflict among the documents. This Contract supersedes any and all prior representations, statements, and agreements, whether written or oral. 8. **Collateralization.** All funds on deposit with the Bank to the credit of the City shall be secured by collateral as provided for in the Public Funds Investment Act (Chapter 2256 of the Texas Government Code as amended), the Public Funds Collateral Act (Chapter 2257 of the Texas Government Code), the City's Investment Policy, and the Bank's Proposal. The City agrees to promptly provide to the Bank any changes to its Investment Policy. The Depositor agrees that it shall only direct the Bank in writing to make investments authorized pursuant to the foregoing.

The market value of any pledged securities (collateral) must be obtained from non-Bank-affiliated sources. The Bank shall monitor and maintain the required collateral margins and levels at all times.

The Bank has heretofore, or will immediately hereafter, deliver to the Custodian collateral of the kind and character above mentioned of sufficient amount and market value to provide adequate collateral for the funds of the City deposited with the Bank. The Custodian shall accept said collateral and hold the same in trust for the purposes herein stated. Said collateral or substitute collateral, as hereinafter provided for, shall be kept and retained by the Custodian in trust so long as deposits of the City remain with the Bank. The Bank hereby grants a security interest in such collateral to City.

If at any time the collateral in the hands of the Custodian shall have a market value in excess of the required balances, the City may authorize the withdrawal of a specified amount of collateral, and the Custodian shall deliver this amount of collateral (and no more) to the Bank.

If the Bank shall desire to sell or otherwise dispose of any one or more of said securities so deposited with the Custodian, the Bank may substitute for any one or more of such securities other securities of the same market value and of the character authorized herein. Such right of substitution shall remain in full force and may be exercised by the Bank as often as it may desire; provided, however, that the aggregate market value of all collateral pledged hereunder, shall be at least equal to the amount of collateral required hereunder. If at any time, the aggregate market value of such collateral so deposited with the Custodian be less than the total sum of the City's funds on deposit with the Bank, the Bank shall immediately deposit with the Custodian such additional collateral as may be necessary to cause the market value of such collateral to equal the total amount of required collateral. The Bank shall be entitled to income on securities held by the Custodian, and the Custodian may dispose of such income as directed by the Bank without approval of the City.

If surety bonds or letters of credit are utilized, the City shall agree as to the issuer and form of contract prior to pledge. The amount of surety bonds or letters of credit will be at least equal to the minimum required amount as per the City's Investment Policy.

9. **Pledge Receipts.** The Custodian shall promptly forward to the City copies of pledge receipts covering all such collateral held for the City, including substitute collateral as provided for herein.

The City may sell any part of such collateral, or receive all or any part of a surety bond or letter of credit settlement, and out of the proceeds thereof, pay the City all damages and losses sustained by it, together with all reasonable and documented expenses of any and every kind incurred by it on account of such failure or insolvency, or sale, and account to the Bank for the remainder, if any, of said proceeds or collateral remaining unsold.

11. **Sale of Seized Collateral.** Any sale of such seized collateral, or any part thereof, made by the City hereunder may be either at public or private sale, provided however, it shall give both the Custodian and the Bank two (2) hours' prior written notice of the time and place where such sale shall take place, and

such sale shall be to the highest bidder therefore for cash. The City and the Bank shall have the right to bid at such sale.

12. **Release of Collateral.** When the relationship of the City and the Bank shall have ceased and when the Bank shall have properly paid out all deposits of the City, it shall be the duty of the City to give the Custodian notice to that effect; whereupon the Custodian shall, with the approval of the City, redeliver to the Bank all collateral then in its possession belonging to Bank. An order in writing to the Custodian by the City and a receipt for such collateral by the Bank shall be a full and final release of the Custodian of all duties and obligations undertaken by it by virtue of these presents.
